

Tree Management Award 2024 (Domestic Property)

Tree Management Award 2024 (Domestic Property)

Introduction

Tree Management Award (TMA) 2024 (Domestic Property) is hosted by International Society of Arboriculture Hong Kong Chapter (ISAHK). The event aims to **recognize Domestic Property** that excel in tree management, raise the awareness of tree preservation in the property management industry and encourage the industry to recognize the benefits of trees.

By participating in the TMA, organizations can:

Enhance the corporate brand image and demonstrate its commitment to tree management and corporate social responsibility.

Obtain free professional advice on enhancing effectiveness of tree management initiatives from the technical consultant of the programme.

Enhance corporate competitiveness, encourage businesses in the industry to improve their operations in and be more concerned about the tree management.

Tree Management Award 2024 (Domestic Property)

Awards winners of the TMA

- ❑ will be presented with a trophy and / or, a certificate;
- ❑ the list of winners will be posted on our website and Facebook to showcase their tree management achievements in the given period; and

Tree Management Award 2024 (Domestic Property)

About Us

The ISA Hong Kong Chapter was formed at the beginning of 2012 under the auspices of, and technical guidance provided by the International Society of Arboriculture (ISA), with the aim to provide networking, education, and training opportunities for arboricultural practitioner and general public in Hong Kong.

Today, there are already more than 1,300 ISA Certified Arborists in Hong Kong.

Our Mission

Through research, technology, maintenance of standards and education our mission is to promote the professional practice of arboriculture and foster a greater public awareness of the social health and environmental benefits of trees throughout the Hong Kong community.

Tree Management Award 2024 (Domestic Property)

Judging Panel

Mr. Gavin S. Coates

Mr. Gavin Coates is a Senior Lecturer at HKU's Division of Landscape Architecture, a Registered Landscape Architect in Hong Kong, Fellow of the Hong Kong Institute of Landscape Architects, Chartered Member of The Landscape Institute (UK) and a Member of the Chartered Society of Designers (UK). Since the early 1980s he has participated in several key Projects for the Hong Kong Government including Tseung Kwan O New Town infrastructure, various public housing estates, Yuen Long Town Park and the design of the waterfall area of Hong Kong Park. From 2004 to 2015, Gavin was primarily involved with the design and site supervision of the Greening Master Plan programme instigated by the Civil Engineering and Development Department under which more than 20,000 trees were planted in the urban areas of the HKSAR.

Mr. James Ian Robinson

Mr. Ian Robinson is a Chartered Horticulturist, Member of the Chartered Institute of Horticulture (UK) and an ISA Certified Arborist with ISA Tree Risk Assessment Qualification, HKILA Accredited Arborist who holds a Higher National Diploma in Landscape and Horticultural Technology from the UK. Ian has been in Landscape Management and Arboricultural senior executive positions for over 46 years in UK and Hong Kong. Ian is also an Adjunct Assistant Professor with the Division of Landscape Architecture of the University of Hong Kong where he has been developing and delivering modules on Horticulture, Landscaping and Arboriculture since the commencement of the Master of Landscape Architecture degree course in 1994.

Tree Management Award 2024 (Domestic Property)

Judging Panel

Dr. Tang Ming Chak Alvin

Dr. Alvin Tang is an expert in the fields of tree and fungus. Over the last twenty years, he has conducted research aimed at understanding plant diseases, tree management, fungal taxonomy, and mushroom poisoning. Currently, he serves as the Course Coordinator for the Tree Management Programme at Hong Kong Baptist University. Dr. Tang has been actively involved in various public education programmes, including public seminars, workshops, and local and overseas field trips. He has published various scientific papers and has participated in 138 media interviews to provide insights on various scientific topics.

Mr. Wong Cheuk Yuet Chiky

Mr. Chiky Wong is an experienced arborist, landscape specialist and restoration ecologist who works with NGOs, consultancies, contractors and the government. He also teaches as a part-time lecturer at School of Continued Education of Hong Kong Baptist, Technological and Higher Education Institute and Institute of Vocational Education. Currently he is a Member of Urban Forestry Advisory Committee of Development Bureau, Faculty Member of Hong Kong Green Building Council, Vice-chairperson of Horticulture and Arboriculture Industrial Training Advisory Committee of Education Bureau, Expert of The Hong Kong Council for Accreditation of Academic and Vocational Qualifications.

Mr. Wong Kwok Leung Edmond

Mr. Edmond Wong has been appointed as a Park Manager since 2006, working in a non-government park where thousands of trees have been retained, planted and transplanted under his management. In recent years, he was appointed as Landscape & Arboriculture Manager, responsible for overseeing trees and plants in about 86 private housing estates. He is a competent and experienced arborist and tress risk assessor with relevant ISA and LANTRA qualifications, also a registered professional housing manager. So he is well-aware of the need to arrange proper tree works and soft landscape management in different residential and commercial projects.
